² FPWKT has not yet received any compensation or reimbursement of expenses for the September 1, 2007 through September 30, 2007 fee period. The amount of compensation sought in some prior fee applications for FPWKT was reduced by \$50,000 per month in anticipation of the payment of that amount by Debtors through the normal OCP process. However, the total cap for ordinary course professionals has now been reached by FPWKT (when one includes reimbursement for expenses); therefore, the amount of compensation and reimbursement of expenses requested in this fee application and in future fee applications will not be reduced by \$50,000.
